PRESENTS

Marking 25 years of bliss and glory

Dates - 9th, 10th & 11th June 2022

SNIST

Sreenidhi Institute of Science and Technology, has always been a center for excellence since its inception by the Sri Educational Society in 1997, and is the only Institution recognized as the Best Performing Institution by the State Government, Central Government and the TEQIP by the World Bank. RIGOLADE The much awaited fest of Sreenidhi Institute of Science And Technology.

Rigolade is an annual College fest of Sreenidhi Institute of Science and Technology (SNIST) conducted by two of the most famous student societies of SNIST, the Arts Club and TechVision. It's a 3 day extravaganza in the campus of SNIST. This fest comprises of creative technical events, spectacular cultural events and sports competitions where students from all around the city come and showcase their technical knowledge, cultural talents and gaming spirits to bag titles. The last day of Rigolade is the cultural night where celebrities attend and grace the event with their presence and performance. Rigolade fest has a floating population of 5,000 students and increases to 11,000 during the night. So, we welcome you to be part of this 3 day college festival in the campus of SNIST to have a best time.

ARTS CLUB

The club, as an entity, believes in encouraging passion rather than capability. Capability stems up when the heart compels you to generate interest in a particular aspect. With a desire to encourage various forms of art, the club functions with various platforms such as Sargam, Kalakriti, Abhinaya, Nritya, Shakthi, Sahithi, MUNsoc & Devonyes, the official dance crew of SNIST, catering to diverse aspects such as painting, film making, writing, acting, singing and dancing. Enhancing in each of the fields, the club has facilitated the students who have had a genuine will to experiment with their penchant.

TECHVISION CLUB

The club always aims to empower the students with technical skill-set that is highly essential as per the current trends in the industry. We always believe in helping the students to unleash their passion towards coding and assist them with all kind of necessary support. Industry -Institute interaction is given prime importance. Our events include technical workshops from industry veterans, hackathons and online coding quizzes. We encourage the students, who aim to impact the society in technical aspects to join us and aid them in propelling with their ideas forward.
